CFCNCA Kicks Off

The Combined Federal Campaign of the National Capital Area (CFCNCA) launched its 2016 campaign on Thursday, Sept. 1. The CFCNCA is the annual workplace giving opportunity for Federal employees in the Washington metropolitan area. In 2015, Federal employees gave more than \$46 million through the CFCNCA to support local, national and international charities.

This year's theme encourages Federal employees to *Show Some Love* to the causes that mean the most to them. With more than 20,000 participating charities, the campaign gives donors the option to support their favorite charities.
